October 3, 2013

Dear Seventh Grade Parents and Guardians,

Our seventh graders have been invited to attend the Red River Revel on Wednesday, October 9, 2013. They will participate in *Exxopolis Luminaria – Architects of Air*. This field trip is to allow all Bossier parish seventh graders to attend this exciting exhibit. It will include time for students in the Exxopolis Luminaria, STEAM Exhibits, Illumination Fascination Program by Sci-Port, and Sci-Port Exploration.

We will be riding Bossier Parish school buses and will leave school shortly after 8:00. We will return after lunch and should arrive back at Benton Middle School by 1:00. The students will need to pack a lunch or purchase a sack lunch from the cafeteria. A drink will be needed also. Please place the lunch in a paper or plastic bag and **not** a lunch box. Please write your name on the lunch.

Teachers will be with the students all day. Please sign and return the attached permission slip to your homeroom teacher by Friday, October 5, 2013.

Thanks!
